

3M™ Universal Spectacle Kit, 102

Description

The 3M™ Universal Spectacle Kit 102 allows the wearer to use corrective lenses with certain 3M™ Full Facepiece Respirators. The 3M spectacle kit is adjustable, and can be moved up, down, in or out to obtain optimal fit and vision.

The 3M spectacle kit includes 3 wire frames, 1 spectacle frame, 1 frame clip, 2 rubber slides (1 spare), and prescription insert (for optician use). The appropriate wire frame is selected based on the 3M respirator use. A wire frame for the 3M™ Full Facepiece Respirator 6000 Series, 3M™ Ultimate FX Full Facepiece Reusable Respirator FF-400 Series, and 3M™ Secure Click™ Full Facepiece Reusable Respirator FF-800 Series is included.
